HOMELESS COUNT

Every January, the Los Angeles Homeless Services Authority (LAHSA) conducts a point-in-time count to determine the number of homeless individuals in the City and County. Two weeks ago, new numbers were released revealing that homelessness has increased significantly since last year. LA County's homeless population has grown by 23% to nearly 58,000, and homelessness in the City of LA has increased 20%, to 34,189. Join us to hear from LAHSA and learn why the homeless population is increasing despite housing approximately 9,000 formerly homeless people in LA in 2016.

Special Guest: Peter Lynn, Executive Director, LAHSA

BUILDING BENEFACITOR PROGRAM

Skid Row Housing Trust (SRHT) has started the Building Benefactor program to enlist the support of individuals, families, and organizations who are dedicated to ending homelessness and building a healthier community. Benefactors are directly connected to the community of the building they adopt, as well as to a wider circle of like-minded philanthropists that are

invested in the future of our neighborhoods.

CCA members are invited to learn more about Building Benefactor perks including: customized volunteer opportunities tailored to their unique skills, interests, and availability; opportunities to promote their support through the Trust's media events and public relations efforts; VIP invitations to events and social gatherings hosted by the Trust throughout the year; and access to a unique network of movers and shakers.

Special Guest: Anne Dobson, SRHT
